EZ CLEAN

Product:

Multi-Purpose Cleaner

11/27 /12

SPECIFICATION SHEET

DESCRIPTION: Daly's **EZ Clean** is a safe, odorless cleaner ideal for finished wood surfaces. It removes dust, dirt, grease, grime, food and stains with an innovative non-toxic formulation that is perfect for residential and commercial applications. EZ Clean is an excellent, multi-purpose cleaner powerful enough for most all your cleaning needs. It is especially formulated for using to clean woodwork prior to refinishing with Daly's EZ Fin waterborne wipe-on wood finish. It is biodegradable, pH balanced, odorless, non-toxic and non flammable. EZ Clean is also great for general cleaning of most hard surfaces. Just spary on and wipe off. EZ Clean is ready to use and should not be diluted.

APPLICATION: Use in a spray bottle for spot cleaning or a pail for larger jobs. Spray the surface and wipe with a clean mop, cloth or towel. For stubborn areas or stains allow EZ Clean to stand for up to two minutes. For large jobs, soak a cloth or towel in the solution and wring out the excess. Wrap the towel around a push broom and wipe the floor. Refold the towel as needed to use clean sides. Do not use with any wax-finished floors. Some areas may require scrubbing with a brush or pad.

EZ WOOD FINISHING SYSTEM: When used in combination with EZ Fin, simply spray or wipe onto coated wood and wipe off well. no rinsing should be necessary. use a clean rag to wipe and make sure all residue is removed before finishing with EZ Fin. EZ Clean will remove the dirt, grease and oils often present on finished wood and leave a clean surface ready to refiish. EZ Clean will not remove all stains and if staining is present additional steps may be necessary. When cleaned the wood surface is ready for refinishing. just follow direction on the EZ Fin container.

CAUTIONS: **DO NOT STORE IF PRODUCT IS MIXED WITH BLEACH.**
Do not take internally. Close container after each use.
KEEP OUT OF REACH OF CHILDREN
In case of eye contact, flush with water. if swallowed drink liquids and contact a physician.

REGULATORY: This product conforms to biodegradable standards and is USDA approved as a general cleaning agent on all surfaces and in establishments operating under the Federal meat and poultry programs.
